# ICT Graduate Index

Rasha Y. Tantawy

# WHAT?

A way to track ICT graduates in Egypt.

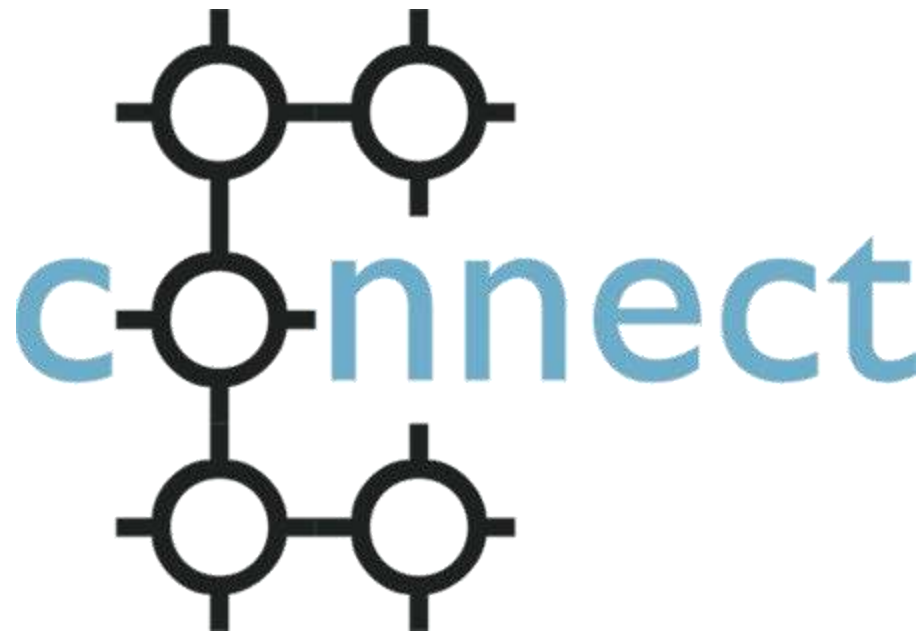

# WHY?

جمهورية مصر العربية  
وزارة التعليم العالي والبحث العلمي

It will enable us to connect you with job opportunities available at our top 20 employers.

# WHY?

- It will enable us to offer you training that better suits your specialties.

# WHY?

- It will enable us to reach out to you with important initiatives in Egypt and abroad such as scholarships, fellowship programs and training programs offered by MCIT.

# WHY?

- Your profile will be seen by 1000 companies that are part of our database.

The screenshot shows the homepage of the EgyptInnovate website. At the top, there is a navigation bar with links for Home, Contact Us, and Stay Connected. Below this is a search bar and a main menu with categories: About TIEC, Centers, Media Center, Support Programs, and Resources Area. A sidebar on the left lists various support centers: Innovation Support Center, Social Networks & Cloud Computing - SNCC, Entrepreneurship & IP Commercialization Center, E-Learning Competence Center - ELCC, and Mobile Technology, Embedded Systems & Integrated Circuit - MEIC. The main content area features a large banner with the text 'Innovation Support Center' and a URL <http://bit.ly/H05Nvy>. Below the banner, there are three columns of content: 'About TIEC', 'Highlights and Announcements', and 'Upcoming Events'. The 'About TIEC' section contains a text block and a registration link. The 'Highlights and Announcements' section lists several events and initiatives. The 'Upcoming Events' section lists promotional events. At the bottom, there is an 'Events Calendar' for April 2012.

**About TIEC**  
 The Technology Innovation and Entrepreneurship Center (TIEC) aims to drive innovation and entrepreneurship in ICT for the benefit of national economy. The center has been launched at Smart Village on Monday 27th of September 2010.

**Register [HERE](#) to enable us to offer you training that better suits your specialties.**
